INVOLVEMENT

I am Involvement — with activities. They are the special times or events during the year that break up any monotony that may build up. They keep me busy, (sometimes too busy). They are good times that leave many good memories.

But sometimes I wonder if all the hard work is worth it. Many people do not find the time to help build a house dek, or sing a song. Maybe they have better things to do or maybe they just don't care. I realize, however, that these times are worth it when I see all those happy people and the good memories they are creating.

Millikin Goes Kolor Krazy

Homecoming '83

Millikin came alive with color October 11-17, as students, alumni, and the faculty celebrated Homecoming. King and Queen, Greg Bueltman and Tara Harvel, with their court reigned over what was to be a very successful week of activities. These activities included the House Dek competition Talent Show, Pep Rally, Games, Homecoming Concert, and of course the Big Football Game with Augustana. Homecoming also held in store a special event — The hatching of the BIG BLUE FALCON.

Royalty

The Homecoming Court included — Front Row (Seated) Alan Hupp, Suzi Pearman, Tara Harvel, Barb Bizer, Jean Schafer, Jayne Balko, Sandy Cristy, Karen Livingston. Back — Michael Buob, Wayne Dunning, Jeff Whitaker, Michael Gorman, Greg Bueltman.

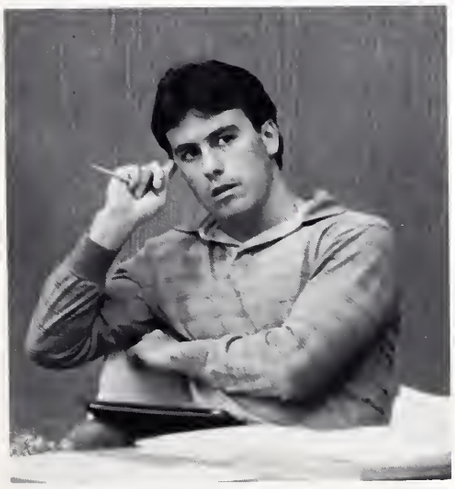
INDIVIDUALS



I am an Individual —
Not just a face in the hall or a number on a computer printout. I am a person — one element making up the whole. I like the others around me, but sometimes I don't go along with the crowd. Sometimes I like to be left alone.

I have my own traits, qualities, and problems, as does everybody else. Other individuals help me bring out my qualities and work out my problems. I am thankful for other individuals, for without them I would be the whole, and I don't think I could be a whole without help.

IMPRESSIONS

I am Impressions —
Impressions of knowledge given to students by faculty and staff — faculty which can be more than instructors but also advisors and friends.

This given knowledge is not only contributed in the classroom but also in after class explanations, quick conferences in the hall, and other informal settings. Some impressions will be forgotten now but remembered later.

Behind the Scenes

INTERESTS

I am Interests — An interest shown in organizations, and while I call myself an individual, here I find identity in the group. As a Greek, or an Independent, as a member of a club (of which there are many) or maybe just a class.

I sometimes become very group oriented. I seem to need its support, the feeling of belonging. And as I grow older my interests change, as does my beliefs, my opinions, my being.

Alpha Kappa Psi is the national fraternity for students enrolled in the Tabor School of Business and Engineering. Membership is open to those students who have 12 hours credit and have maintained a minimum 2.0 cumulative grade point average. This organization compliments class work through professional meetings, industrial tours and other programs.

Row one: Linda Harve, Carol Redford, Bonnie Yedinak, Kathryn Trask, Kathie Sciackitano. Row two: Lyn Degenhardt, Darla Dandro, Carrie Hug, Leslie Sheppard, Janet Miller, Lynne Remack, Patti Sromek. Row three: Steve Steele, Scott Bradtke, Kathleen Curry, Michelle Twitchell, Nancy Wilkins, Beth Hornecker, Kelley Allen. Row four: Dave Dixon, Jerry Panfil, Craig Hayden, Laurie Gross, Mark Shook, Rhonda Bacci, Ralph Lauren.

American Society for Personnel Administration

The Millikin chapter contributes to the development and maintenance of professional standards and competence of students planning to enter human resource management careers. The members include Tim Hooker, Doug Callison, Jill Christensen, Debbie Fields, Monica Milner, Janice Waggoner, Marc Knowles, Chris Lindstrom, Roscoe Boykin, Eric Sorensen.

Physical Therapy Association

The Physical Therapy Association offers its members field trips, guest speakers, discussions and exposes P.T. students to their chosen fields. The members are, Row one: Cathy Cashmer, Laurie Beringer, Melissa Greene, Terri Chappel. Row two: Caroline Howard, Karin Paul, Judi Kincaid, Robin Harman, Connie Fritsch, Rhonda Ray. Row three: Suzanne New, Mary Otrenbeck, Sharon Hayden, Jeanna Guthrie, Nancy Tanabe, Chris Magallanes, Bernadette Bowie. Row four: Suzanne Baker, Peggy McCann, Todd Thorsen, Dr. Neil Baird, Sandy Jack, and Cathy Cummins.

International Club

The International Club is a fairly new organization on campus. The group consists of students from foreign countries and from out of state. The club plans fund raisers and the money raised goes to those in the club who may need financial help. The International Club also has dinners for themselves in which they each prepare a dish representative of their country or section of the U.S. The group's members are, from left to right, Karen Turnbull, Mireya Orska, Racheal Isaac, Darla Dandro, Denise Hendrickson, and Patricia Zaldombide. Not pictured are Judy Canero, Francis Offiong and Ludwig Johansen.

Commuter Club

The Commuter Club is designed to get commuters involved on campus. The group has done such things as gone ice skating and also went water skiing this past summer. They also participated in Homecoming this year. The Club's members are Row 1: Ann Owens, Elizabeth Hill, Leslie Sheppard, Janet Miller, Dee Lyn Batty. Row 2: Kay Martin, Faith Delatte.

Behavioral Sciences Club

The Behavioral Sciences Club is composed mainly of anyone with a Psychology or Sociology major or minor. The group plans activities, such as field trips to Adolf Mier, so that those in the behavioral sciences field can get together to share in common interests. The group's members, from left to right are: Row 1: Kelly Funk, Jennifer Johnson, Susan Szabo, Maryellen Strawniak, Theresa Broeker. Row 2: Henry Gromoll, Tammy Bakakos, Racheal Isaac, Renee Donnell, Debbi Ruland, and David Payne.

Communication in Action

Communication In Action is probably one of Millikin's newest groups. The club is presently composed of Communication majors and minors but membership is open to all full time students. CIA's purpose is to further students interest in communication, its effectiveness during college years and its use in professions. While CIA is presently only a local group, plans are to become affiliated with a national organization with the same goals. Meetings are run by the co-chairpeople of the group — Robin Fulk and Claire Williams. The group's members from the left are row 1: Lisa Bierman, Kim Walker, row 2: Stephanie Dautzenburg, Laurel Morris, Claire Williams, Robin Fulk, row 3: Patti Murphy, Lea Ann MacGilvray, Lori Lunik, Dan Clark, row 4: Caroline Edwards, Faith Delatte, Janine Wiegard, Monica Milner, row 5: Gail Hudson, Tim Evans, Doug Williams, John Gorsky.

Advancement in Computing

This group promotes student interest in all aspects of computing and computers. The group's members include, from left to right: Lindsay Wright, Harold Kahn, Jon Westcot, and Deb Refine.

University Center Board

The University Center Board is an organization which plans and provides entertainment for the students. Some of the activities they sponsor include movies, dances, live bands, tournaments and a fashion show. In addition, a ski trip during Winter Term and a trip to Florida during Spring break are organized. Membership in U.C.B. is open to any interested Millikin student.

The officers this year are: President — Julie Saum; Vice President — Jeff Viemont; Secretary — Julie Bowen; Treasurer — Beth Hornecker.

Chairpersons of the various committees are: Films — Dave Caylor; Social — Brad Rademaker; Travel — Kim Withrow; Publicity — Shelley Long; Recreation — Susan Krell; Special Events — Gail Kleeberg.

It was the first year for a women's team — they had a 1-3 record, and finished 5th in state for small colleges and in the Viking Olympics. The men were also 1-3, and finished 4th in the CCIW meet.

Jennifer Krimmel, MVP swimmer, qualified for NCAA nationals in 4 events, and finished 9th in the 200 backstroke to gain All-America status. She set 6 individual school records and was on 3 record-setting relay teams. Joni Rosenow, MVP diver, set 1-meter board record; Robin Sculerati set 3 individual records and was on the 3 record-setting relay teams. Jodi Leonard set one record, and was co-captain along with Rosenow.

Rich DeGalan was the men's MVP and captain, and won 2nd in both the 100 and 200 breaststroke at the CCIW meet. Bob Czerwinski was named most improved and Tyson Reissfelder was recipient of the "Hurt, Pain and Agony" award.

M.U. WOMEN'S BASKETBALL

After starting out slow against a schedule of strong teams the women's basketball team posted a 13-10 record, winning 10 of its last 14 games. Besides regular season play, the team also participated in the Dial Classic in Miami, Florida.

Junior guard Jodi Foster led the team in scoring, assists, field goal and free throw accuracy. Foster was named to the Kodak All-District team, to the N.C.C. all-tournament team, served as co-captain, and was named MVP.

Second in scoring was senior Tami Sender, who was named AWSF third team All-American, and closed her college basketball career with 1,252 points, second on the all-time scoring list at Millikin.

Sophomore Terri Jones led the team in rebounds (7.6 per game), followed by senior frontliner and co-captain Lisa Alexander (7.0 per game). Two freshman who finished the season on a promising note were Stacy McLaughlin, a forward who was third in rebounds (5.2 per game), and Tonda Logue, a guard, who averaged 6.7 points a game.

Three seniors will be lost to graduation — Sender, Alexander, and Diane Voss, but a nucleus of a solid team remains for another competitive season of basketball.

BIG BLUE BASKETBALL

The Big Blue, who finished 21-7 overall, earned Millikin's first-ever invitation to the NCAA Division III national championships. In the Midwest Regional, Millikin defeated Beloit (Wis.) but lost to Wisconsin-Whitewater, who finished fourth in nationals. The team also won the CCIW championship with a 12-4 record.

Wayne Dunning led the team in scoring, rebounding, and assists; was the team's MVP; was named to the NABC All-District team; and was voted the Outstanding Player in the CCIW.

Greg Goodrich and Craig Patton served along with Dunning as team tri-captains. Patton also led the team in free-throw shooting.

Eddie Taylor was second in scoring and was named to the Midwest regional All-tourney team. Ken Jackson was second in rebounding behind Dunning.

Despite the loss of 3 seniors, Coach Ramsey is looking forward to another successful basketball season, thanks to the talent of his returning players.

Individual highlights included highjumper Al Sheriff, who became MU's first 7-foot jumper and placed 3rd in the high jump at nationals, achieving All-America status. Sprinter Deverick Lampley set a school record in the 100 meters, finished in a 6th-place tie at nationals in the 100, and earned All-America status.

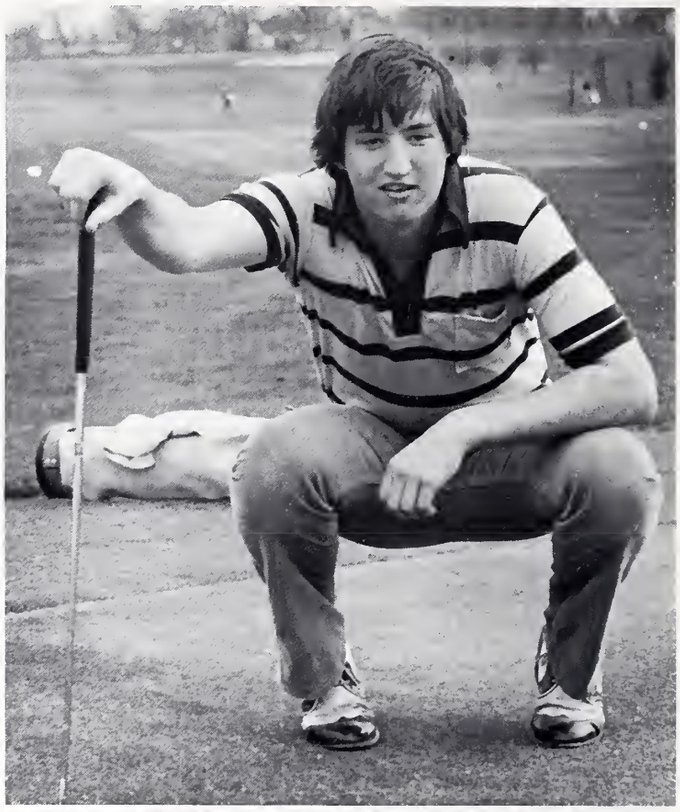
MILLIKIN GOLF



Millikin's golf team, led by Kurt Rogers and Brad Kay, won its first conference championship since 1974.

Rogers was named the team's MVP, was co-captain, medalist in 5 meets, and capped his collegiate career tied for 20th at nationals, earning him honorable mention All-American honors.

Kay was the CCIW individual champion, co-captain, captain for 1984, and medalist at Quincy.

Millikin had a 9-1 record in dual matches, and won the Rose-Hulman and Quincy tournaments.

Pitching help from newcomers, strong offensive hitting, and defensive stability were the keys to the successful season.

Tim Hooker and Tim Teegarden were unanimous 1st-team selections in the CCIW. Teegarden set career records for games played, times at bat, hits and runs batted in. Hooker finished 2nd among the league's leading hitters, and shared the MVP award with Teegarden.

Shortstop Dan Fauser was a second team CCIW selection, and was named co-captain for 1984 with Hooker. Freshman Rob Davis was named "rookie of the year," leading the team with most runs scored. Alan Hupp and Curt Jones were 1983 co-captains.

MILLIKIN TENNIS

A lack of collegiate tennis experience was felt by the men's tennis team, which won only one of 12 dual meets.

Jeff Clow and Greg Huck were the only players with previous collegiate experience.

The team did improve on its standing in the CCIW — going from 8th a year ago to tying for 4th in the conference this season.

Jeff Clow, the team's MVP, was runner-up in the conference No. 2 singles, and Doug Kinas reached the semi-finals in No. 3 singles.

ALPHA CHI'S HAVE ACTIVE YEAR

GREEKS

I chose to be Greek
(and they chose me),
Although it isn't always easy here.
A lot of people don't like us;
they see some of the things we do,
and don't see some of the other
things that we hide inside
it's frustrating,
and yet, if it was any other way
it might not mean as much.

Once again this year, the Alpha Chi's were involved in lots of activities. Within the house they joined forces to capture both 1st place trophies for Homecoming Talent Show and Games. They also raised money for Cystic Fibrosis by selling carnations to M.U. students and sponsored a Christmas party for underprivileged children. Outside the house, the Alpha Chi's kept their reputation for being involved in a wide range of campus activities. Four of the eight varsity cheerleaders this year are Alpha Chi's. Many girls involved themselves with athletics, while others were active in fraternity little sister groups, music, theater, and departmental groups.

TRI-DELTA TAKES FIRST IN HOMECOMING

Tri-Delta has had many achievements during the 82-83 school year. It started off by winning three trophies in the Homecoming competition. They won first in Greek Sign, House Dec, and first place overall. To raise money for their philanthrophy, which is scholarship, the Tri-Delts had their traditional pancake breakfast the night before Homecoming games. This year's breakfast was a great success! The sorority also won first place in the intramural swim meet and college bowl. During the Holiday Season, The Tri-Delts have their Sleigh Bell Day where they go Christmas Caroling at DMH and at the Anna B. Millikin Nursing Home here in Decatur.

PI PHI'S AIM HIGH FOR THE COMING YEARS

Pi Beta Phi is a social sorority with high aims in the areas of scholarship, alumnae and panhellenic relations, campus involvement, philanthropic projects, and the fostering of life-long friendship. This has been a great year for us and we are honored that our candidate Tara Harvel was Millikin's 1982 Homecoming Queen.

Zetas have had a busy year. After a successful rush, Zetas plunged into their many activities. Service projects included Trick-or-Treating for Unicef, The Jerry Lewis Telethon for M.D., Christmas caroling at DMH, and a tootsie roll drive for special olympics.

Along with these events, Zetas are also active on campus with members as freshman camp counselors and co-chairman, orientation committee, honoraries, leads in plays and operas, co-captain of the volleyball team, along with many others. Zetas are proud of their accomplishments not only as a group, but as individuals.

Then moving into homecoming, the Taus took 1st place in 3 events — Talent show, Cheer competition and Spirit sign — thus giving them the overall championship. The ATOs also finished first in I.M. football, volleyball and softball. With the help from the 21 new members they received during the year, the Taus are looking forward to continued success in the future.

SHOWCASE THEATRE is the producing wing of the Department of Communications and Theatre. Its function is to present a yearly season of live theatrical entertainment for the education and enjoyment of students, faculty, staff, and area residents. All productions are cast entirely from the Millikin student body. Students, under the direction of a trained staff, also construct all sets, props, and costumes used in a production. The selection of shows making up the yearly season is made on the educational and entertainment value of individual shows. Each season attempts to feature a variety of theatrical forms, periods, and styles, thus giving both participating students and audiences a variety of theatrical experiences. It is not the goal of Showcase Theatre to present museum pieces or to do shows just because they ought to be done. Each show is made as relevant and theatrically exciting as is possible. Nevertheless, all shows will not please all audiences, and some shows will appeal to some audiences more than others. The audiences theatrical awareness and enjoyment grows, and Showcase Theatre continues to be a strong influence in the Millikin and Decatur community.

MILLIKIN MUSIC

The School of Music at Millikin University is one of the oldest accredited music schools in the Midwest. High quality musical training has been offered to students who are interested in performing, teaching, jazz, commercial music and church music since its inception. Individual instruction, as a part of the regular curriculum, is offered in voice, strings, piano, organ, guitar and on all woodwind, brass and percussion instruments.

Playing opportunities abound at Millikin. Formal organizations include choir, choral union, opera theatre, opera workshop, chamber singers, jazz/show choir, mardrigals, dance, symphony orchestra, marching band, wind ensemble, jazz band and ensembles in brass, woodwind, percussion and vocal.

Choirs

The Concert Choir is known internationally, having travelled throughout the United States, Mexico, and Europe. In addition to travel, the choir is very active on the campus and holds concerts and clinics in high schools in the Midwest. Madrigals, the Singing Blue, the Chamber singers and other groups are included in the vocal program at Millikin.

Bands

The Millikin Bands program is dedicated to a high level of instrumental performance designed to nurture musical growth and understanding. To this end the Concert Band and Symphonic Wind Ensemble are literature-based organizations drawing their repertory from both traditional and contemporary sources. The Marching Big Blue performs at the football games and at times travels with the team.

The internationally acclaimed Millikin Jazz Band, directed by Roger Schueler, has toured extensively and has participated in seven overseas concert tours as — Good Will — Ambassadors at the request of the U.S. Department of State. As the feature of entertainment for Millikins annual homecoming concert, the band has performed with many talented artists including Stan Kenton, Mel Torme, Jim Stafford, Four Freshmen and The Temptations.

Symphony Orchestra

The Millikin-Decatur Civic Symphony Orchestra presents several concerts each season. Guest artists such as Doc Severinson, Julius Baker, and Carol Lawrence add to the excitement of this fine orchestra. The Symphony Guild offers talent awards to outstanding string students.

Convocations Series 1982-1983

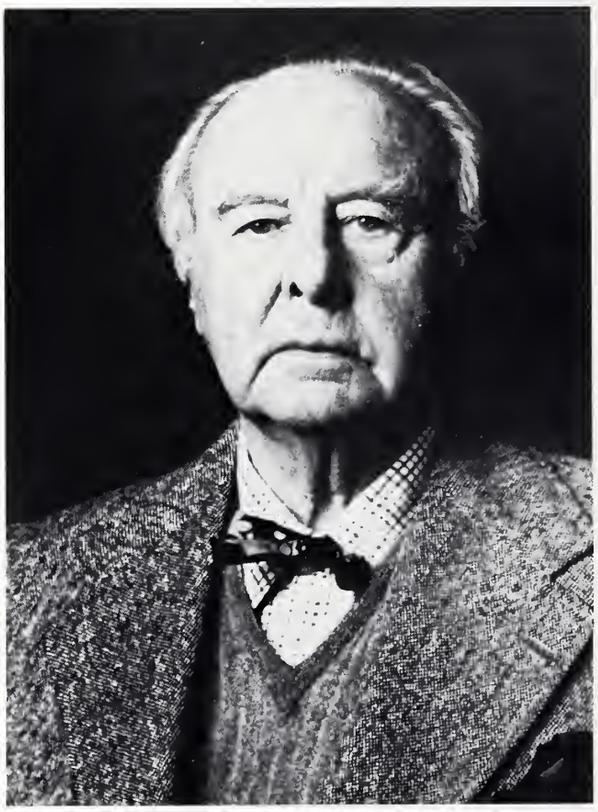
The Convocations Series is chosen annually by a committee of Millikin students and faculty. As a whole, the program attempts to provide the Millikin community with an interesting and diversified schedule of entertainment. Past seasons have included individual performers, popular speakers, and events of theatrical importance. Convocations programs remain ever-popular with Millikin students by reason of variety and financial accessability — the series is funded by student fees.

An Evening with

John Houseman

Wednesday, October 6, 1982

John Houseman is one of the most influential figures in American thater, radio and television. Best known as Professor Kingsfield in the movie and television series THE PAPER CHASE, Houseman's credits as a producer-director-author-actor date back to the 1930s. He is the founder and Producing Artistic Director of the Acting Company which performed on the Convocations Series in February. This was a rare opportunity to hear John Houseman recreate revealing moments on and off the stage and set.



The Pointer Sisters

Saturday, November 13, 1982

The Pointer Sisters have a sophisticated sound that has won them a large following of dedicated fans. Their rich music has evolved from 40s style swing and jazz harmonies to pop-/soul hits of the '80s. With recent favorites such as AMERICAN MUSIC, SLOW HAND, and HE'S SO SHY, the Pointer Sisters have established themselves as a major force in contemporary music.
